DANIEL FORD TARR

LEADED GLASS ART IS ALIVE AND WELL ON MAUI

Daniel Ford Tarr

*artist, designer and creator of
Exceptional Leaded Glass.*

Daniel was born and raised in San Diego County, Ca. and pursued studies in biology at the University of California, Berkeley. He had a passion for the environment and what began as a side interest in "stained glass" blossomed into a life-long passion, now some twenty-five years along.

THE BEACON. The processes employed to make this piece was fusing (multiple firings for added dimensions), etching work, and reinforced copper foil technique for added strength of construction.

The Beacon

In history, and here in Hawaii, the beacon guides navigators into safe har-

Vibrating rings resonate at the edges of the piece and imply further action

bors and away from dangerous reefs. The Beacon I have created is to guide the meditation of a soul launched on a spiritual voyage. With shapes and colors, I make reference to "sacred geometry" and the hierarchy of emanation.

beyond the visible spectrum and physical boundaries. The seeker will follow the light to the safe harbor of inner peace and understanding.
